## Objective

---

Enthusiastic and detail-oriented Computer Science graduate from RKGIT Ghaziabad with a solid foundation in JavaScript and React.js. Passionate about building scalable web applications and solving complex problems. Seeking an entry-level front-end developer position to contribute technical skills and grow in a dynamic work environment.

## Education

---

- **Dr. Abdul Kalam Technical University , Lucknow** 2021-2025  
B.Tech  
62%
- **CPS Public School ,Mohiuddinpur , Meerut** 2020-2021  
Intermediate  
71.8%
- **CPS Public School ,Mohiuddinpur , Meerut** 2018-2019  
High School  
65.6%

## Coursework

---

- Data structure & Algorithms
- OOPS(Object Oriented Programming)

## Technical Skills

---

- React.js
- JavaScript
- HTML
- CSS
- GIT

## Projects

---

- **HeavenQuest Web Application**  
Travel Explorer - Hotel Search and Booking App
  - Tech Stack: React.js, JavaScript, HTML, CSS, REST APIS.
  - Developed a dynamic and user-friendly web application that allows users to search for various travel destinations and book hotels based on their preferences. The project focuses on delivering a seamless UI/UX for planning trips and making reservations.
  - Real-time search for cities and places using location-based suggestions.
  - Display of hotels with images, prices, ratings, and availability.
  - Users can filter hotels by price, rating, and amenities.
  - Integrated booking form with user input validation and booking confirmation interface.

### Roles and Responsibility:

- Build high-quality, scalable, and maintainable user interfaces using React.js.
- Design and implement reusable, modular React components to improve development efficiency and consistency.
- Manage application state using React Hooks and Redux.
- Fetch and manage data using RESTful APIs and handle asynchronous operations effectively.
- Optimize performance by implementing lazy loading, memoization (React.memo, useMemo), and code-splitting.

## Certifications

---

- Programming in JavaScript - Coursera
- Flipkart Grid 6.0 Software Development Track Quiz- Flipkart
